Lewmar Names new Sales and Marketing Director

Lewmar has today announced the promotion of Matt Johnston to the new role of Sales and Marketing Director. Matt has been Sales Director since the business was re-organised 18-months ago. From today he will also take full responsibility for all marketing activities for the company on a global basis.

"The re-organisation within the Sales and Marketing department is part of Lewmar's ongoing drive to become a lean and efficient provider of marine hardware, explains Peter Tierney, CEO of Lewmar. "Matt has a great understanding and empathy for the industry and his appointment to this new role will help the company become even more focused on supporting our sales effort through targeted marketing campaigns."

Ian Stevenson, who held the role of Marketing Director has now left the company. Ian was an important part of Lewmar's executive team and the company is keen to take this opportunity to thank Ian for his service to the business and wish him well in his future endeavours.
